

CARE AND MAINTENANCE GUIDE

Handcrafted furniture made from natural materials.
Designed to age beautifully with proper care.

For long-term performance and appearance, please follow these care guidelines

Your piece is made from solid wood and natural finishes. Variations in grain, colour, knots, texture, and movement are inherent and form part of its character. Seasonal movement may occur and is not considered a defect.

Indoor Furniture Care

- Avoid prolonged exposure to direct sunlight and heat sources.
- Keep away from excessive moisture or humidity.
- Dust regularly with a soft, dry or slightly damp cloth.
- Wipe spills immediately.
- Do not use abrasive cleaners or harsh chemicals.
- Re-oil surfaces every 3–6 months, depending on use and environment.

Handling & Use

- Lift furniture when moving it; do not drag.
- Do not stand or sit on surfaces not designed to bear weight.
- Use protective pads under heavy or sharp objects.

Outdoor Furniture Care

- Place furniture in well-drained areas; avoid standing water.
- Cover or store under shelter when not in use.
- Clean with mild soapy water and allow to dry completely.
- Do not use pressure washers.
- Re-oil surfaces every 1–3 months, depending on exposure.
- Natural weathering and colour changes are expected outdoors.

Important Notice

Once delivered or collected, responsibility for care, maintenance, and appropriate use rests with the customer. JJ Bones of the Earth (Pty) Ltd is not responsible for any defects, damage, or deterioration arising from improper handling, misuse, environmental exposure, or inadequate maintenance once the product is in the customer's possession.
